If the registrant of a UKC-registered Beagle is barred or suspended from UKC, he/she shall be ineligible to participate in the Beagle Incentive Fund for the entire period of the barring or suspension. All Incentive Points earned by a dog owned or co-owned by a person who is barred or suspended during the period of suspension shall be forfeited. Dogs owned or co-owned by a person who is barred or suspended will become eligible to earn Incentive Fund Points upon the date of reinstatement of the barred or suspended owner or co-owner. In the event such a dog is sold to an owner or co-owner who is eligible to participate in the program, the dog will remain ineligible to earn Incentive Fund Points until January 1 of the year following the suspension or barring of the previous owner(s). Any monies earned by barred or suspended individuals will be reverted back to the Incentive Fund.

If a Select Sire is barred for fighting, they may continue to breed as long as all requirements, set by the Hunting Programs Department, have been met.
