G. Day-of-show entry. Most UKC clubs allow entries to be taken on the day of a show or trial. The start and finish time for taking these entries is published in *BLOODLINES* magazine and on the UKC website.

H. Disqualified. Dog is deemed ineligible for competition. This can be the result of a condition prohibited in the rules, such as an alteration to the dog's natural state, an undesirable trait as listed in a breed standard, or a condition of or action by a dog that is prohibited under the rules of the United Kennel Club. A dog that has been disqualified from a conformation show or performance event pursuant to Section V may not participate in any further events unless reinstated by UKC.

I. Dog. The word "dog" used in these regulations includes both sexes.

J. Excused. A Judge may excuse any dog whenever he/she reasonably believes the dog's physical condition creates a risk of injury to the dog or the dog is not under the handler's control. A dog that has been excused by a Judge in any event may not participate in any other class of the same type, except that in terrier racing, an excused dog may compete in another type of terrier race at the same event, provided that the excusal is not the result of a non-qualifying behavior of aggression as defined in **Section XIV.B.6.e**). A dog that has been excused from flat racing must no longer compete in flat racing for that event, but may race in steeplechase races on the same day as flat racing, except when a dog has been excused for non-qualifying behavior as defined in **Section XIV.B.6.e**), it is ineligible to continue competing at any Terrier Races until the next day's races. A dog that has been excused for non-qualifying behavior as defined in **Section XIV.B.6.e**) at three different Terrier Race events shall be ineligible for entry in any UKC Terrier Race event unless and until notified by UKC and the dog's racing eligibility has been reinstated. 10. **Dogs that may not be entered under a Judge.**
 - a. Except as outlined in subparagraph b. below, exhibitors may not race dogs from the following categories under any race Judge. These dogs may, however, show in other types of events on the same day. For example, a dog owned by a person judging a conformation event, may participate in a performance event hosted by same club on the same day, provided the dog is not handled by the Judge, a member of the judges immediate family or a member of the judges household.
 - 1) A dog that is owned or co-owned by the Judge;
 - 2) A dog that is owned or co-owned by a member of the Judge's immediate family;

 - 3) The restrictions in sub-paragraphs 10.a.1) through 7). do not apply to the Backup Judge.

D. Entry numbers and armbands. Each dog shall be assigned an entry number and the host club must provide armbands/labels displaying the entry number to the person exhibiting the dog.

E. Entry procedures and deadlines. Due to the task of organizing race entries it is recommended that clubs use Pre-Entry only for

rating events. UKC clubs must use the following procedures for taking entries for licensed races:

1. **Entry procedures for licensed classes.** UKC clubs must use the following procedures for taking entries for licensed classes:
 - a. **Day-of-race entries.** Clubs accepting day-of-race entries must establish a day-of-race entry deadline after which no further day-of-race entries shall be accepted for that day's event. This information will be published with the other event information in *BLOODLINES* magazine and/or on the UKC website (www.ukcdogs.com.) In the case of extreme weather or other emergency conditions, the Event Chairperson may decide to extend the taking of entries or delay the start of all judging by a reasonable period of time, or both. In such cases, the extension of entry-taking or delay of judging must be explained in writing by the Event Chairperson when submitting the Event report.
 - b. **Pre-entry.** Clubs accepting pre-entries must establish a pre-entry deadline. The pre-entry deadline must be published with the other event information in *BLOODLINES* magazine and/or on the UKC website. Clubs may offer a discounted entry fee for pre-entries. In such cases, exhibitors whose entries fail to arrive by the deadline date may be accepted at the club's discretion but must pay the full entry fee.
 - c. **Pre-entry only.** Clubs may elect not to take day-of-race entries. In such a case, the club must include this information on its Event Application for a Scheduled Weekend. Such events will be designated "PRE-ENTRY ONLY" at the top of their listing in *BLOODLINES* magazine and/or on the UKC website.
 2. **Entry procedures for non-licensed classes.** Entries for non-licensed classes may be taken at any time up to the start of judging.
 3. **Entering a dog's height on the entry form.** Each exhibitor is required to include the height of his/her dog in the space provided on the entry form when entering a dog in a terrier race.
- F. Conditional entries.** An entry which specifies any condition as to its acceptance must not be made and must not be accepted by a club.
- G. Refusing an entry.** Host clubs may refuse the entry of an otherwise eligible dog. While a club's decision is subject to review by UKC, it will not be overturned except where there is strong evidence that the club's decision is based on prohibited categories of discrimination (race, religion, national origin, etc.) or personal disputes.
- H. Refund or Cancellation of Entry policy.** The Host club shall be responsible for their own refund and/or cancellation of entry policy with the exception of a Female in Season as described in **Section XIII.C.d**. It is suggested that the policy be posted. No refunds will be offered for missed races.
- I. Corrections and changes to entry form.**
1. **Correction/Class Change Form.** The exhibitor must complete a Correction/Class Change Form as provided by the club. The Event Secretary must attach the form to the original entry form.
 2. An exhibitor or owner may make corrections on an entry form anytime prior to the judging of the class in which the dog is entered. An exhibitor or owner may change the dog's name or the dog's registration number on an individual entry, but he/she may not change both on the same entry.
- J. Substitutions of an Entered Dog.** The Host club shall be responsible for their own Substitution of an entered dog policy. It is suggested that the policy be posted. If the host club allows a substitution the new dog must meet all Entering a UKC event requirements. Substitutions of a dog are prohibited when the Race entry deadline time has been reached or the dog is ineligible to compete. No refunds will be offered for missed races.

Section VII. Judging Schedule.

- A. Start time for licensed classes.** At pre-entry only races, judging must start at the advertised start time. At all other races, judging must start at the advertised start time or as soon as possible thereafter if there are a large number of day-of-race entries. No dogs are to be judged prior to the start time advertised in *BLOODLINES* magazine and/or on the UKC website. Dogs should be present at the time of Judging. Judges are not required to wait for dogs.
- B. Start time for non-licensed classes.** Non-licensed classes must be scheduled so that they do not interfere in any way with the judging of licensed classes.
- C. Scheduling performance and conformation events when there is only one ring available.** When the event site only accommodates a single area, and a club is offering both conformation and a performance event, conformation shall be judged last so that the performance dogs are not distracted by the scent of female dogs in season.

Section VIII. Judge Changes.

- A. Change of Judge after event has been published in *BLOODLINES* and/or UKC website.** All judge changes occurring prior to the last weekday before an event must be approved by UKC. Changes made too late for publication in *BLOODLINES* will be posted on the UKC website. The host club must make every reasonable effort to notify exhibitors of the change and offer refunds to all pre-entered exhibitors who submit a written request for refund of their entry fee(s). Judge changes must be posted in plain view at the event site during event hours.
- B. Appointing an emergency replacement Judge.** If, on the day of the event, a Judge is unable to start or complete his/her assignment, the Event Chairperson must appoint an emergency replacement Judge. First priority should be given to the back-up Judge, secondly to another Judge licensed as a terrier race Judge. If no licensed Judge is available, the club may appoint the available person best qualified to take the assignment. All official event report forms must show the name, address and phone number of the emergency replacement Judge. The Event Secretary must include a written explanation for all assignment changes when submitting the event report to UKC and include the credentials of any emergency replacement Judge. Points or legs earned by exhibitors under emergency replacement Judges shall be considered as if they were earned under the original Judge for the purpose of calculating required wins under different Judges.

Section IX. Terrier Race Handlers. Terrier race handlers may be any age provided the handler is able to control the dog. A Judge may excuse a dog at any time if he/she believes the handler is unable to control the dog. The Judge's decision is final.

Section X. Rules applying to exhibitors and spectators. UKC exhibitors and spectators are expected to display good behavior and good sportsmanship on and off the race course. Judges, Event Committee members, and host club officer may excuse exhibitors or spectators from the race course or event grounds for violations of these rules or conduct that interferes with the event and event participants.

- A. Complaints about the Judge's placements.** By entering a UKC event, the exhibitor is inviting the opinion of the Judge and must accept the Judge's decision as final. Exhibitors are encouraged to discuss races with Judges but may not argue about the Judge's placements. Complaints about the Judge may only be lodged with the host club if the exhibitor believes the Judge has violated a specific UKC rule. Complaints about a Judge's knowledge of the terrier race rules may be filed with UKC but must address specific deficiencies. Elec-

tronic audio or video recordings will not be considered by UKC when reviewing a Judge's competency to judge a terrier race.

B. Control of the dog. Exhibitors are expected to keep their dogs under control at all times. The Event Committee may expel from the show grounds any person whose failure to control a dog interferes with judging or with the ability of other exhibitors to race their dogs.

C. Double handling. Persons outside the race course are prohibited from any intentional actions designed to affect the performance of a race. This prohibition shall apply equally to persons attempting to improve or to impair a performance. The Event Committee may expel from the show grounds any person they reasonably believe is double handling. Judges may excuse exhibitors whose dogs they reasonably believe are benefiting from "double handling."

D. Interfering with the Judge. No person may interfere with the Judge in any way while he/she is judging a race.

E. Ring and event grounds cleanup. Exhibitors are required to clean up after their dog if it fouls the race course or the event grounds. The steward may bring cleaning supplies to the exhibitor and may hold the dog while the owner cleans the area. Any exhibitor who fails to clean up after his dog may be directed by the Event Committee to leave the event grounds.

F. Performance-altering drugs or supplements. The use of performance altering drugs or supplements is strictly prohibited. Owners and handlers are presumed to know the condition of their dogs and risk disciplinary action for exhibiting dogs under the influence of performance-altering drugs.

G. Misbehavior of handlers.

1. **Excusing a handler.** The Judge must excuse a handler who exhibits poor sportsmanship. The Judge has sole discretion whether or not to allow the dog of an excused handler to continue to participate in the races with a substitute handler. The Judge's decision in these matters is final.

2. **Handler misconduct.**

a. A handler who abuses their dog anywhere within the race track area, which includes, but is not limited to, the starting boxes, race course and catch area shall be excused immediately by the Judge. The Judge must mark the dog as excused and the reason on the score sheet and in the Judge's book for the excusal. The Judge must file a Misconduct report with the Event Committee as soon as possible after the incident in accordance with **Section XXV**.

b. Poor sportsmanship that rises to the level of misconduct must be dealt with in accordance with **Section XXV**. The handler shall not be permitted to exhibit until the hearing has been held. A different handler may exhibit any additional dogs the handler has entered. In this case the club is not required to refund entry fee(s) for said dog or any additional dogs the exhibitor has entered on that day regardless if the dogs were shown or not.

Section XI. Exhibitor Guidelines. Many exhibitors have made a lifelong commitment to dog training. Judges have spent years training and racing dogs before stepping into judging. They are serious about the sport, and exhibitors should be as well. Exhibitors' behavior and deportment speak to the degree of commitment they have to their dogs and to the sport. The following are suggested guidelines for UKC exhibitors:

A. Exhibitors should accept the decision of the Judge gracefully. There should be no snatching of ribbons, loud comments or derision of the judge or their decisions, either on the race course or off.

B. Exhibitors' dogs should be clean and, where necessary, brushed or trimmed to present a neat appearance.

C. Exhibitors should take care when discussing the judging with the judge to not appear confrontational. The judging was the Judge's evaluation on that day, and poor behavior on the part of the exhibitor will not change the outcome.

D. Exhibitors should make an effort to help new exhibitors. We were all new to dog events at one time and we appreciated when someone helped us.

E. Exhibitors should always leave the event grounds in the condition they found them. Help the event committee clean up your area.

F. Exhibitors should take care not to promote rumors and negative comments about dogs, other exhibitor or judges.

G. Exhibitors should remember they are at the race at the invitation of the event-giving club. In order to ensure being invited back, exhibitors should do whatever they can to assist the host club and promote the family flavor of UKC events.

Section XII. Terrier Race Titles and All Star Ranking. UKC terrier race titles must be earned successively. Equivalent titles from other venues, may not be substituted for UKC terrier race titles in determining eligibility for a class. The following titles shall be awarded for excellence in terrier races.

The club must indicate which type(s) of racing they are offering (Flat racing and/or Steeplechase racing) on the Event Application for a Scheduled Weekend.
- B. Determining a dog's height.** A dog's height is determined by drawing a straight line from the top of the withers perpendicular to the ground while the dog is standing normally and not leaning nor being stretched out. It is recommended that a wicket be used to meas-

ure the dogs' height. Each exhibitor is required to include the height of his/her dog when entering a dog in a Terrier Race event.

1. **Borderline dogs.** If a dog is on the borderline, before the race the handler should ask the Judge for a measurement so that the dog may be exhibited in the proper class without penalty. Each club is required to have a wicket on hand, for Day of Event measurements.
2. **Correcting a class before the dog runs.** When a dog is found to be above or below the limit for the class in which it is entered, the dog must be moved to the proper class.
3. **When a dog runs in the wrong class.** When a dog has run a heat in the incorrect class, it must be excused and any wins or placements invalidated and the dog must not be allowed to re-run in the correct class. The Judge must mark the reason for the excusal in the Judge's book.

The certificate may be mailed, provided the postmark is no later than the date prior to the day of the race, or delivered by hand to the Event Secretary before the start of the advertised time of the races as published in *BLOODLINES* magazine or on the UKC website.

3. If a dog is moved to a higher class prior to UKC notification.
 - a. If owner's records are incorrect. If the owner's records are incorrect, all wins earned while showing at the higher level of competition shall be invalid.

1. **Checking in.** Upon arrival, the exhibitor should check in to determine what the dog's number is and the order of the racing heats. The club shall post the race heats as soon as practical after entries close. The exhibitor is expected to know when their heat race time is scheduled, and to be present prior to that time. The judge is not required to wait for dogs.

2. **Conflicts.** If the race is large enough to require two or more courses or a race is offering flat and steeplechase racing, and the schedule appears to create a conflict due to one exhibitor showing multiple dogs, multiple classes, or in multiple events, the Event secretary should be notified so that accommodations can be made. A club offering a race with more than one race course will anticipate the likelihood of conflicts, and will be prepared to deal with them, but the exhibitor must also be flexible enough to deal with the requirements likely to result from multiple entries. All conflicts must have the Judges approval.

5. Fouls.

a. **Licensed Events.** A straight course which is a minimum of 175' in length to a maximum of 250' in length. Width of the track must accommodate width of the starting box.

b. **Non-Licensed Events.** A straight course whose minimum length maybe at the discretion of the Race Committee and will not exceed the length used for the Licensed Event. Width of the track must accommodate width of the starting box.

2. **Track Barrier.** A track barrier at least three feet high and running the entire length of the track and catch area is required for all races. The barrier shall be placed at the outer edges of the starting box running the length of the track past the outer edges of the finish line and enclose the catch area. Track barriers can be made of any material that will discourage the dogs from leaving the track during the race. The bottom outside edge of the barrier should be secured to prevent a dog from leaving the track.
3. **End Barrier and Finish line.**
 - a. **End Barrier.** The end barrier is located at the end of the track and must run the width of the track. It is suggested that the barrier be an arc rather than a straight line.
 - b. **Finish line.** The finish line is the back opening of the barrier or also referred to as the back opening of the tunnel.
 - c. **Tunnel opening.** The tunnel should be large enough to allow the size of one terrier at a time to pass through. The size of the opening depends on the size of the dogs racing, refer to **Section XVIII.A.2.**
 4. **Catch area.** The catch area should be 20' to 25' long, secured by fencing to allow enough room for the lure pull, lure pull steward, Judge and dog catchers.
 5. **Loading area.** The loading area should be large enough to house up to six terriers, their owners and the stewards working the area. It is suggested that a sign be posted that coordinates with the color on the box so that the owners may line-up in the order of box loading.
6. **Steeplechase Hurdles.**
 - a. There must be a minimum of 4 hurdles placed at least 20 feet apart.
 - b. The first hurdle must be at least 30 feet beyond the opening of the starting box.
 - c. The last hurdle must be no closer than 30 feet from the finish line.
 - d. Three hurdles may be used for a shorter track running only smaller dogs.

Section XVIII. Equipment Requirements.

A. Race equipment. The following equipment must be provided by the host club:

1. **Dog catcher gloves.** All catchers must wear protection gloves, regardless if the dog's owner is catching. It is recommended that all dog catchers wear heavy gauntlet-style gloves such as welder's gloves.
2. **End Barrier and Finish Line.**
 - a. **End Barrier.** The end barrier may be made of straw with foam padding or covered cushioned foam.
 - b. **Finish Line.** It is recommended that the space allow only one dog to pass through at a time. Opening in the end barrier should be adjustable to allow all breeds of terriers to pass through as follows:
 - 1) **15" High opening.** For dogs under 12½" at the shoulder.
 - 2) **20" High opening.** For all dogs over 12½" at the shoulder.
3. **Lure.** The lure is unscented imitation fur cut into a strip and attached to at least 275' of heavy gauge string (such as kite string.)
4. **Lure pull.**
 - a. The lure pull is attached to an electric motor that is connected to a reliable power source.
 - b. **Speed of pulley.** The electric motor must allow variable pulley speeds to suit the speed of the class being raced.
 - c. Pulley system to be designed to allow operator to stand near middle of the catch area.
 - d. Straw bales or other suitable material must be placed around the lure pull motor to prevent access by dogs.
5. **Starting box requirements.**
 - a. **Construction.**
 - 1) The starting box is normally made of wood. The starting box contains a minimum of 4 compartments (stalls) and a maximum of 6 compartments.
 - 2) The stalls must be free of all defects that might cause injury to a dog or a person, such as splinters and protruding nails.
 - b. **Stalls.** Stalls should conform to the following specifications:
 - 1) Should be approximately 20" high and 12" wide.
 - 2) Have a top opening lid for loading dog.
 - 3) Have a latch on the lid for securing dog in stall.
 - 4) Have a 2" to 3" slat across the bottom of the front openings for traction.
 - 5) Each stall lid of the starting box must have an assigned individual color patch as defined below. The patch must be at least 6" in diameter and may be painted or attached (such as colored paper.) The stall lid color and order of the colors are mandatory and set as such: when standing directly behind the starting box, facing the race course, the first box lid is on the far most left, moving to the right, the next stall lid is second etc. The stall lid color must be in this order: first stall lid must be Blue, second stall lid must be Red, third stall lid must be Green, fourth stall lid must be Yellow, fifth stall lid must be Purple and the sixth stall lid must be Orange.
 - 6) **Acceptable floor surfaces:**
 - a) Wood covered with carpet.
 - b) Wood painted with sand or perlite in the paint for traction.
 - c) Dirt.
 - c. **Doors (Gate).** Doors must be front upward-opening. The doors (gate) must be constructed of wooden frames covered with 12-gauge or heavier galvanized hardware cloth. If each stall has its own individual gate, the opening mechanism must be designed so that all gates open simultaneously.
6. **Steeplechase Hurdles.**
 - a. **Construction.**
 - 1) Made of lightweight material, foam or PVC pipe are strongly suggested, but other materials are allowed with safety in mind (such as Styrofoam swimming pool "noodles".)
 - 2) Should slant away from the dogs (for safety reasons.)
 - 3) Should be flush with track fencing.
 - b. **Height.** Hurdles must conform to the following:
 - 1) 1. 6" maximum height for the under 10" class.
 - 2) 2. 8" maximum height for the 10" but under 12½" class.
 - 3) 12" maximum height for the remainder of the classes.
7. **Supplies.** Race hosting clubs must have the following equipment in good condition and available on the day of the event:
 - a. **Racing collars.** Racing collars that match the box lid colors. It is suggested the club have multiples of each colored collar.
 - b. **Draw system.** A draw system (such as color indicated on one side of a recipe card) for heat races.
 - c. **Additional supplies.** Additional items such as pens, pencils, clip-

boards, posting boards, clean-up supplies etc. Communication radios and a public address system are also highly recommended.

8. **Track Barrier.** A track barrier at least three feet high and running the entire length of the track and catch area is required for all races. The bottom outside edge of the barrier should be secured to the ground to prevent a dog from leaving the track. Examples of suitable material include plywood, snow fence (orange color preferred), wood planks and hog panels.

9. **Track Crowd Barrier.** It is suggested that a crowd barrier be used and the barrier should be the same height, length and material as the track barrier and be placed at least three feet away from the outer edges of the chute. A crowd barrier prevents spectators from interfering with the dogs during the race and allows the handlers to go down the catch area speedily and without interference.

B. Dog's Equipment. The racing collars must be provided by the host club, the balance of the dog's equipment must be provided by the dog's handler.

1. **Racing Collars.** Each dog must wear the color collar selected by the race stewards. Clubs must provide and maintain a selection of collars that match the colors of the clubs boxes. This will permit expediting the race. However, it is recommended that each handler maintain a selection of collars in the most common colors. For safety reasons and to avoid unnecessary delays, collars should be fitted to the individual racing dog. Extra collar length (tag) should be removed. The dog may wear an additional collar but the collar must properly fit the dog and be approved by the Judge.

2. **Prohibited collars.** Fancy, studded, chain or "pinch" or "prong" collars, harnesses (head/or body), or any other type of special training collars are prohibited on the race course. Collar tags or other items hanging from the collar are prohibited on the race course. Neither is it permissible for a dog to wear a scarf or bandana, caps, sunglasses, etc.

3. **Leashes.** A short lead is recommended.

4. **Muzzles.** Dogs must wear a muzzle when racing and the muzzles must properly fit the dog.

a. **Acceptable types of muzzles.** Softie, Plastic type and Wire Basket type muzzles with top straps are acceptable. Muzzles must be properly fitted to the dog. Handlers must be aware of the relative advantages and disadvantages of each type. Softie muzzles should be black in color so as not to be confused with the color of the collar.

b. **Prohibited types of muzzles.** The Figure 8 muzzle, Mikki, open ended or other similar styles are prohibited.

Section XIX. Racing Procedure.

A. Order of racing. The order of racing shall be determined by the host club and announced at the handler's meeting. It is permissible to announce the order of racing in Premium Lists and/or Judging Programs.

B. Racing classes.

1. **Race Types.** Races are divided into two types: Flat and Steeplechase.

2. **Identical classes for both Types Flat and Steeplechase.** The classes are identical for flat and steeplechase divisions. At the option of the host club, classes may be divided by sex. However, once established this process must be used for all breeds.

3. **Class divisions.** Classes must be divided as specified in **Section XV.B.3** Classes maybe run in any order.

4. Summary of Race Classes.

- Race Type:
 - Flat
 - Steeplechase.
- Race (Breed) Category.
 - Dachshund
 - APR
 - Open
- Class:
 - Regular Class
 - Champion
 - Grand Champion
 - Fastest Racer
- Size Division:
 - Less than 10"
 - 10" - 12½"
 - 12½" - 15"

C. Determining class heat size and number of heats. The Event Secretary will determine the order of racing for the initial heats.

1. **When there is only one entry in a class.** When there is only one entry in a class the dog may run a single pass down the track. The dog must complete the run in good form with no faults.

2. **When there are six or less than six dogs entered in a class.** The dogs may all run together in a single final heat at the discretion of the Event Committee and Judge.

3. **When more than 6 dogs are entered in a class.** When there are more than 6 dogs entered in a class, multiple heats will be run, as necessary, to determine the advancing dogs. Entries must be divided as evenly as possible.

D. Determining Starting Box Positions. It is suggested that the initial starting box positions be decided prior to the day of the event. Positions should be determined by the race official(s) who are assigned the task of getting the race paperwork ready for the event. Officials should use a random draw system to assign each dog with a color/starting box position. On the event day, if additional races need to be run and thus positions drawn (i.e. a final race draw based on the finishing order of 2 or more semi-finals), the appropriate race official should perform a random draw and assign colors appropriately. Drawing positions prior to the race event and assigning any day of event draws to a specific race official prevents delays and allows the races to be run in a quick and timely manner.

E. Loading area and box loading

1. **Loading area.** All dogs must be muzzled when in the loading area and the leashes should be off the dogs and placed in the handler's pocket. It is suggested that a sign be posted that coordinates with the color on the box top so that the owners may line-up in the order of box loading. This area may also be used to facilitate the starting box positions draw.

2. **Box Loading.** At the direction of the steward, the handlers, with their dogs muzzled and wearing the proper color coded collars must proceed to the starting box, where the handler must position the dog in the starting box as directed by the steward. All leads must be placed in the handler's pocket. As soon as the dogs are loaded into the starting box, the handlers must proceed quickly to the catch area.

F. Race starts. The race starter:

1. Checks with the appropriate steward(s) to ensure that the dogs are loaded securely in the box;

2. Checks to see that the steward teased the dogs with the lure and is off the race course;
3. The race starter will then signal the lure operator to start the lure and
4. Opens the box to start the racing.

G. Round Procedures. Preliminary Rounds, Semi-Final Rounds and Final Rounds will be determined by the number of dogs entered in a given class and by the race committee.

1. **Preliminary Round.** Preliminary rounds (heats) may be run to determine the dogs advancing to the Semi-Final Round. Preliminary rounds are held for a class(es) with a large amount of entries.

2. **Semi-Final Round.** Semi-Final rounds (heats) must be run to determine the dogs advancing to the Final round. For class(es) with a small amount of entries the Semi-Final Round and the Final round may be run together as one race at the discretion of the event committee.

3. **Final Round.** The final round consists of one race featuring up to six of the top semi-final round winners.

4. **Fastest Racer.** Fastest Racer competition is a race for each race type of Flat and Steeplechase and each breed category class division winners. It is a competition divided by size alone per breed category for each Flat and Steeplechase racing. It will be this class that will be used to determine the ranking of the Terrier Race All Stars Listing.

a) **Fastest Dachshund.** Competition between the winners of the Regular class, Champion class and Grand Champion class Final Round winners.

b) **APR Breed Category.**

1) **APR Fastest 10" and under.** Competition between the 10" winners of the Regular class, Champion and Grand Champion Final Round winners.

2) **Open Fastest 10" to 12½".** Competition between the 10" to 12½" Open winners of the Regular class, Champion and Grand Champion Final Round winners.

3) **Open Fastest 12½" to 15".** Competition between the 12½" to 15" Open winners of the Regular class, Champion and Grand Champion Final Round winners.

4) **Open Fastest 15" & over.** Competition between the 15" & over Open winners of the Regular class, Champion and Grand Champion Final Round winners.

5. **Rerun of a Race.** If a lure is caught or in some way the movement or lack of movement of the lure delays or alters the forward motion of any terrier, the race will be rerun.

H. Foul. A foul is an intentional or unintentional act that a dog or handler may commit while within the terrier racing area. The first foul will get called "foul" along with a judge's warning of the act. The second foul will get called "foul" and the judge will excuse the racer from that particular race type for the day and mark the Judge's book accordingly. Fouls include, but are not limited to; aggressive behavior on and off the race track, urinating or defecating anywhere within the race area, handler misconduct, etc.

C. Determining heat and class placements.

1. **Heat placements.** The Judge shall score the entire heat. First place must be awarded to the dog crossing the finish line first, second place to the dog that crosses the finish line second, etc.

2. **Class placements.** The Judge shall give up to four placements, where possible, in each class based on the dog's finish position in the final heat.

Section XXI. Judging Procedures.

A. Discussion of scoring with exhibitors. UKC Judges are encouraged to discuss their scoring with exhibitors.

B. Judge's authority in the course. The Judge may use whatever reasonable procedures he/she deems necessary to evaluate each dog's performance in an effective and efficient manner. The same procedures will be used to Judge each dog in a class.

The Judge is responsible for ensuring that the equipment and race course is in compliance with UKC rules. At the race conclusion, the judge must sign the official race report indicating that the race equipment and course met the current requirements or report deficiencies that were not rectified before the race began.

UKC encourages judges to work these problems out with the clubs, but the decision of the officiating Judge is final.

4. **Duties of Apprentice Judge.** The Apprentice Judge must be at the track throughout all classes of the Terrier Race with the exception of any class in which the Apprentice Judge has a dog competing. The Apprentice Judge must closely observe the judging procedures and the activities of the race officials. The Apprentice Judge must follow the instructions of the Senior Judge at all times.

F. Judging and Exhibiting

Performance judges may exhibit a dog or have a dog they own or co-own exhibited by someone else in any event preceding the day of their judging assignment, the day of their judging assignment or the day after their judging assignment at an event in which they have been hired or in a scheduled weekend.

The back-up judge system for performance events must be in place for an assigned judge to exhibit or have a dog that they own or co-own exhibited in the event in which they are judging.

No judge may interrupt, disrupt, delay or reschedule an event in which he/she has entered a dog in, in order to fulfill or complete their judging assignment. Nor may a judge interrupt, disrupt, delay or reschedule an event in which he/she is officiating in order to facilitate exhibiting their dog.

No Club or judge may interrupt, disrupt, delay or reschedule any event for any judge to accommodate a judge exhibiting a dog on the same day he/she is judging for any reason.

Judges reported and proven to have interrupted, disrupted, delayed or rescheduled an event to allow themselves to exhibit a dog or interrupted, disrupted, delayed or rescheduled an event in which they are officiating, to exhibit a dog, will face disciplinary action which could include the suspension of judging privileges for up to 1 year and a fine up to \$500.

Clubs reported and proven to have interrupted, disrupted, delayed or rescheduled an event to allow a judge to exhibit a dog or allowed a judge to interrupt, disrupt, delay or reschedule an event in which the judge is officiating in order to exhibit a dog will face disciplinary action which could include the suspension of event privileges for up to 1 year and a fine up to \$500.

Judges accepting assignments in which they are considering exhibiting a dog and clubs hiring judges who wish to exhibit a dog at that event must give utmost thought and care to avoid conflicts of time. The judge's primary responsibility is to their assignment to judge. Should a conflict of time arise at an event on a scheduled weekend in which the judge is forced to choose between exhibiting and judging, the judge must fulfill the assignment the club hired them to fulfill and willingly and knowingly withdraw any entries in any event that presents the conflict.

Should a judge find a handler for the entered dog if there is a conflict of time, the dog may still be exhibited in the event in which it is entered.

**Judges exhibiting in any event on the same day (other than the event they officiate) will be eligible for awards, placements, All-Star and Championship points where applicable.
Immediate Family/Household.**

No dog can be entered under a judge that has been owned or trained by the judge, the judge's immediate family or that has lived in the Judge's household or the household of a member of the judge's immediate family, regardless of ownership, within three months of the date of the event;

A judge's immediate family and/or household members may exhibit a dog not owned or co-owned by the judge, in any event on the same day that the judge is officiating; except that the immediate family/household member may not enter or exhibit the dog in the same event-type that the judge is scheduled to officiate, with the exception of using the back-up judge system in the performance events. Immediate family/household members may enter any event without restriction on any other day the judge is not scheduled to judge.

Back-Up Judge System.

**Performance judges may compete in the same trial that they are assigned to judge under the following provisions:
The judge must notify the club in advance that they wish to enter a dog in an event they are assigned to judge.**

The host club must designate a Chief (Head, Lead) judge and a back-up judge on the event application. The chief judge shall be the overall authority for judging the event.

Dog(s) exhibited by the chief judge may compete only under the assigned back-up judge. The back-up judge may only officiate for the chief judge (and/or immediate family/household members of the judge) and may not officiate for any other exhibitors entered in that event with the exception of the events in which multiple dogs are judged at the same time. (i.e. terrier racing, weight pull, lure coursing) In that case the back-up judge may only judge the class/division/race in which the judge's dog(s) are competing.

Judges are prohibited from interrupting their judging assignment in order to exhibit. Judges may coordinate when they will exhibit based on the event specific rules in which judges are entered/officiating.

Judges competing in the events in which they are officiating will not be eligible for placements, awards or All-Star points as per the event specific rules in which they are entered/officiating.

**Assigned back-up judges will be eligible for awards, placements, All-Star and Championship points.
Emergency Replacement of Back-Up Judge.**

Should an assigned back-up judge fail to appear at an event in which they were assigned as the designated back-up judge there will be no emergency replacement of the back-up judge's assignment if there is no other fully licensed judge at the event. In this case, the Chief Judge will forfeit their entry and fulfill their assignment. If an event was published in the UKC's Upcoming Events and in Bloodlines Magazine as having a back-up judge

and if a fully licensed judge is in attendance at an event where the assigned back-up judge did not appear; the judge in attendance may serve as the back-up judge. Clubs must note the change in back-up judges and provide a detailed explanation of the circumstances in their event report.

G. Judges' Code Of Ethics. UKC Judges are approved on the basis of their knowledge of dogs, their understanding of the UKC rules, their dedication to the sport of purebred and performance dogs, and their integrity. Judges are the role models for our sport and, as such, are expected to adhere to the highest standards of conduct. Judges should adhere to the following guidelines when judging:

1. Remember that Judges' decisions play a key role in determining future breeding stock. Conformation decisions must be based strictly on the UKC standard and performance placements on the UKC rules.
2. Remember that performance Judges' must be sure they make every effort to be consistent when scoring/timing each dog.
3. Judges who compete at an event where they are officiating must be aware that their decisions are subject to scrutiny and must make every effort to ensure that their decisions are above reproach.
4. Judges should dress appropriately for the event and the weather. A Judge's appearance should always be neat and professional.
5. Judges must not only avoid impropriety but also the appearance of impropriety. In a sport where Judges are bound to have numerous friends among the exhibitors, it is important when judging to keep socializing at events to a minimum, both in and out of the ring. Judges should be cordial to all exhibitors while maintaining a professional distance.
6. Judges are encouraged to participate in UKC events as spectators, exhibitors, workers, and club members. In such situations, however, Judges must be mindful that people give extra attention to their words. Judges should refrain from gossip and be cautious about discussing dogs they have judged.

Section XXIII. Dog Temperament and Behavior. Owners of UKC Registered dogs are responsible for the behavior of their dogs at UKC events. Dogs participating in UKC events are expected to have stable temperaments appropriate to their breeds and to be sufficiently well trained so that no dog's behavior interferes with the Judge's ability to evaluate the dog or its performance. Owners or designated handlers are expected to ensure at all times that their dogs present no threat to persons or other dogs attending the event.

A. Excusing a dog for temperament or behavior in the race-related area. A Judge may excuse a dog when the dog's behavior significantly interferes with the Judge's ability to evaluate the dog or to evaluate the dogs of other exhibitors, or a dog that repeatedly bites or attempts to bite a person, or a dog that repeatedly bites or attacks another dog, or a dog that continues to interfere with another dog's ability to race. The terms "attack" and "interfere" shall be construed upon to include unprovoked physical contact or threat of physical contact between two dogs. In such cases, the Judge must mark the dog "Excused" in the Judge's book and state the reason for the excusal. The Judge's decision in such matters is final.

B. Disqualifying a dog for temperament or behavior.

1. When the bite or attack occurs in the ring. (For the purpose of defining the ring area, it is construed to include all areas in which the judge is officiating including but not limited to; the chute area, on deck area, weigh-in area, staging/holding area, catch/release area.) A Judge must disqualify a dog that bites or attempts to bite a person, or that bites or attacks another dog. The term "attack" shall be construed to include unprovoked physical contact between the two dogs. If the bite, attempted bite or attack occurs in the ring, the Judge must mark the dog "disqualified" in the Judge's book and state the reason for the disqualification. The Judge's decision in such matters is final. The Judge must complete the UKC "Disqualified for Attacking" report form and report any such incident to the Event Committee immediately.

2. When the bite or attack occurs elsewhere. Any person who witnesses a dog biting or attempting to bite a person, or biting or attacking another dog anywhere on the event grounds other than in the ring must report it immediately to a member of the Event Committee or the host club. The host club must investigate the alleged bite, attempted bite or attack and the club must file a complaint using the procedure outlined in Section VII of this rulebook. Once the complaint is complete, the Event Committee must send the complaint to UKC with their Event Report. The dog is considered disqualified in this situation and must not enter or exhibit at any UKC Licensed event until reinstated by UKC, and the Event Committee must immediately notify all concerned parties of same.

3. UKC procedures for dogs disqualified under this section. When UKC is notified that a dog has been disqualified under this section, the owner of the dog will be notified by certified mail of the Judge's report (disqualified in the ring) or the disciplinary committee's findings. The owner of the dog shall have 14 days from receipt of this notification to show cause why the dog should not be barred from participating in future UKC events and from all registration privileges. After reviewing any mitigating or extenuating evidence submitted by the owner, a Disciplinary Committee composed of UKC staff members shall make a finding of facts and determine the penalty, and this ruling shall be final. The owner of the dog shall be notified of the outcome within 30 days of receipt of the owner's response. Owners of dogs that are barred from registration privileges are required to return the dog's UKC registration certificate within 14 days of notice that the dog is barred. Failure to promptly return the registration certificate can result in loss of UKC privileges. Dogs barred from registration privileges may not be transferred. The name, breed and owner of a dog barred from registration privileges shall be published once in the first issue of *BLOODLINES* magazine after the owner is notified.

Section XXIV. Use of Alcohol and Illegal Drugs at Events. The use of alcohol and illegal drugs at UKC events is prohibited. Violators may be excused from the race course area by the Judge, and from the racing, show or event grounds by the Event Committee or any officer of the host club, and the decisions of these officials are final. The Event Secretary must notify UKC in writing of any Judge who is excused by the host club for violation of this rule.

Section XXV. Misconduct and Discipline.

A. Standard of conduct at a UKC event. United Kennel Club events are intended to be family-oriented recreation for dog lovers and their UKC Registered dogs. Accordingly, UKC expects the highest standard of conduct at events.

B. Misconduct. Misconduct may be defined as conduct by a person that is prejudicial to the interests of the sport of purebred dogs. There are three general categories of misconduct:

1. **Wrongdoing at a UKC event.** This may include, but is not limited to, threatening, assaulting or battering another individual; falsifying any event-related document; cheating or conspiring to cheat in order to improve the standing of any dog competing at an event; abusing or neglecting a dog; throwing bait in the ring; littering the ring with bait; using bait or a squeaker in the ring when a Judge has prohibited their use.
2. **Wrongdoing not associated with a UKC event.** This may include, but is not limited to, falsification of UKC registration papers; misidentification of a dog or the parentage of a dog; abuse or neglect of dogs; or continued failure to keep proper registration records.
3. **Uttering a payment with non-sufficient funds.** This category refers to paying entry fees via a check with non-sufficient funds in the account, the use of a debit or credit card that is declined, forged or invalid money orders, or other forms of payment where an exhibitor's

entry fees remain unpaid after competing. Refer to **Section VII. E.** Procedures for handling an uttering a payment with non-sufficient funds.

C. Jurisdiction. All persons present on the grounds of a UKC event during the event hours are subject to the jurisdiction of the UKC. In addition, UKC has jurisdiction over any misconduct that may occur off the grounds of the event or outside event hours, provided that the misconduct is reasonably related to the event. This paragraph shall be interpreted as broadly as is necessary to regulate such off-grounds misconduct as abuse of motel rooms by persons attending the events.

D. Procedures for handling misconduct during or associated with an event.

1. The complaint.

a. **Who must file a complaint.** Any person or persons who become aware of an act of misconduct during the hours of a UKC event, must notify either the Event Chairperson or the Event Secretary at any time during the hours of the event.

(1) **When a Judge observes misconduct on the track.** Any Judge who observes misconduct by an exhibitor in the Judge's ring must excuse the exhibitor from the ring and file a complaint with the Event Chairperson or Event Secretary as soon as practicable. The Judge must note the reason for excusal in his/her Judge's book.

(2) **When a person is excused for misconduct on the track.** A person excused by the Judge for misconduct in the ring may not show in any other class or event until after his/her hearing. The club shall not refund any entry fees unless the Hearing Committee makes a finding that the alleged misconduct did not occur, that the misconduct was not prejudicial to the interests of the sport of purebred dogs, or that the misconduct did not occur in conjunction with a UKC event. No dog owned or co-owned by the excused person may continue in further competition until the matter has been resolved by a hearing. If the excused person is handling a dog that he/she does not own or co-own, that dog may be returned to competition with another handler.

(3) **When a person observes misconduct by a member of the Event Committee or a Judge at an event.** Any person who becomes aware of an act of misconduct by a member of the Event Committee or a Judge during the hours of an event must file a complaint in accordance with this Section. Complaints about a Judge's placements must be dealt with in accordance with **Section XV, Paragraph A.**

b. **Upon receipt of a complaint.** Upon receipt of a complaint, the Event Chairperson shall provide the complainant with a UKC Misconduct Report and Hearing Form. The complainant must enter the name of the subject of the complaint (hereinafter referred to as the "respondent") in Section 3, and complete all of Sections 1 and 2, providing the following:

(1) **Section 1.** The club name, location of the event, the date of the incident, and the name of the Event Chairperson.

(2) **Section 2.** The complainant's name, address, daytime and evening phone numbers, and the facts and circumstances of the alleged misconduct, including the specific sections of the pertinent UKC rulebook which have allegedly been violated.

The Event Chairperson shall then appoint from the officers and directors of the host club, two persons who shall serve, with the Event Chairperson, as the Hearing Committee, except that no officer or director who witnessed the alleged misconduct shall serve on the Hearing Committee. Additionally, no person who is related to or living in the same household as either the complainant or any accused person shall serve on the hearing committee. If no officer or director is eligible to serve, then other club members may be appointed. The Event Chairperson shall serve as Chairperson of the Hearing Committee and shall set a time and place for the hearing. If the Event Chairperson witnessed the alleged misconduct, he/she shall appoint, from the officers and directors of the host club, three persons who shall serve as the Hearing Committee and shall also designate one to serve as Chairperson of the Hearing Committee. The Chairperson of the Hearing Committee shall appoint a member to record the notes of the hearing. The place for the hearing shall be on the event grounds and the hearing time shall be set so as to give the respondent adequate time to prepare for the hearing.

2. **Notice.** As soon as possible after receiving the complaint, the Hearing Chairperson shall advise the respondent of:

- a. The specific conduct that is the subject of the complaint and the time and place at which the alleged misconduct occurred;
- b. The name of the complainant;
- c. The names of witnesses against him/her; and,
- d. The time and place of the hearing.

The Hearing Chairperson must enter the respondent's address and daytime and evening phone numbers in Section 3 of the complaint. He/she may obtain this information directly from the respondent or from respondent's UKC official entry form, if the respondent is an exhibitor. If the respondent cannot be located on the grounds, the Hearing Chairperson shall select a date, time and place for the hearing and notify the respondent in writing by certified mail (return receipt requested) at the mailing address on the UKC official entry form or the respondent's last known address, whichever is applicable. Every reasonable effort shall be made to locate and notify the respondent of the complaint and hearing. Hearings not held on the day of the event must be held no more than 28 calendar days from the date of the event.

3. **If the respondent fails to appear at the hearing.** If, after having been advised of the complaint and the date, time and place of the hearing, the respondent fails to appear, the hearing shall proceed without the respondent.

4. The Hearing.

a. **Advise ment of respondent's rights.** The Hearing Committee Chairperson shall advise the respondent of the following rights: (1) The right to be present during the testimony of all witnesses; (2) The right to cross-examine all witnesses; (3) The right to present witnesses on his/her own behalf; and, (4) The right to testify in his/her own behalf.

b. **Witnesses.** All witnesses who come before the Hearing Committee shall testify under oath administered by the Hearing Chairperson. Witnesses who are unable to attend in person may testify by telephone.

c. **Order of testimony.** The complainant shall present his/her evidence first, followed by the respondent's evidence.

d. **Cross-examination.** Each party shall be allowed to cross-examine the other's witnesses. Members of the Hearing Committee shall also be allowed to question the witnesses.

e. **Spectators.** Spectators shall not be allowed at Hearing Committee hearings except for UKC Field Representatives appointed to attend the hearing on behalf of UKC or UKC staff.

f. **Attorneys.** No party shall be entitled to have an attorney present at the hearing.

5. **Findings.** At the conclusion of the hearing, the complainant, respondent and all witnesses shall be excused. The Hearing Committee shall deliberate and make their findings based on a preponderance of the evidence. A two-thirds majority is sufficient to make findings. The findings shall be reported as follows:

- a. Whether the alleged misconduct was proven to have occurred;
- b. Whether the alleged misconduct was prejudicial to the interests of the sport of purebred dogs;
- c. Whether the alleged misconduct occurred in connection with a UKC event.

In reaching its decision, the Hearing Committee may not consider the respondent's general reputation or status in the sport of purebred dogs, prior acts of misconduct, nor the extent of the respondent's investment in dogs. The sole consideration must be the specific instance of misconduct with which the respondent is charged.

6. **Completing The UKC® Misconduct Report And Hearing Form.** The Hearing Committee Chairperson shall complete Sections

4, 5 and 6 of the Misconduct Report and Hearing Form as follows:

- a. Section 4: The name, address and phone number of each witness and a summary of each witness's testimony. This summary shall include all pertinent facts provided by the witness. If the space on the form is insufficient, additional sheets of paper may be used to record the summary.
- b. Section 5: The date and time that respondent was notified of the hearing and the names, addresses and daytime and evening phone numbers of the Hearing Committee members.
- c. Section 6: The Hearing Committee's findings and recommendations shall be entered in this section. In addition, each member of the Hearing Committee shall then sign the form in the space provided and enter his/her address, daytime and evening phone numbers and e-mail. Within 10 calendar days of the hearing, the Hearing Chairperson shall forward one copy of the UKC Misconduct Report and Hearing Form to United Kennel Club. 2. The appropriate UKC Department Head shall review all such cases. If the findings of prejudicial misconduct are upheld, the UKC Department Head or Disciplinary Committee shall impose one or more of the following penalties:
 - a. Invalid Entry. The dog's record for the event will be treated as an invalid entry when recording the Event Results.
 - b. The exhibitor must contact the club immediately upon notification from their financial institution that the payment was insufficient and resolve the insufficient funds entry payment to the club. Additionally, the club must make every reasonable attempt to collect sufficient funds.

After UKC has been notified by the club or Event Manager that the uttering has been successfully paid, the exhibitor may make an appeal to re-instate the dog's points to the Disciplinary Committee. An appeal must be filed not later than 30 days from the date the uttering has been successfully paid to the club. The Decision of the Disciplinary Committee shall be final.

Any further instances of misconduct may result in an immediate suspension or barring of the individual at the discretion of the Disciplinary Committee and without further due process.
2. **Suspension.** The Disciplinary Committee shall impose a minimum three hundred dollar fine and a minimum one-year suspension for probation violations and for most serious acts of misconduct. The suspension will begin immediately upon notification by certified mail (return receipt requested) but the fine must be paid before the time counts toward the sentence. For example, a person may be notified on January 1 that his penalty will be a one-year suspension and a fine of three hundred dollars. This individual will be suspended as soon as he is notified of the penalty but the one-year suspension does not start until the date the fine is paid. If the suspended individual waits until March 1 to pay his fine, his suspension will actually run fourteen months until midnight of February 28 the following year.
3. **Barring.** The Disciplinary Committee shall bar an individual for an indefinite period of time for repeat instances of misconduct or for the most serious forms of misconduct, including cruelty to dogs. The period of barring shall begin upon notification of the respondent by certified mail (return receipt requested).

 - g. Appeals. Any person placed on probation, suspended or barred may appeal directly, in writing, to the UKC President. An appeal must be filed not later than 30 days from the date a person is notified of the probation, suspension or barring. The decision of the President is final.
 - h. UKC Inherent Rights and Powers. Notwithstanding anything herein and regardless of whether these procedures are followed, under the Inherent Rights and Powers, UKC reserves the right to itself and its sole judgment and discretion, to investigate any misconduct and to impose such sanctions and penalties as deemed appropriate.

Section XXVI. Scheduling UKC Events.

A. Number Of Events In A Year. UKC Clubs may host as many events per year as the club may properly support. However, UKC has the right to limit the number of events held by any club or Event Manager at their sole discretion.

B. Number Of Events Per Day. A UKC club may apply to hold two of each type of Terrier Race – flat or steeple per day.

C. Corresponding Date. All licensed UKC Clubs must hold a minimum of one event per year to remain an active club. A club that has offered an event in any one year shall have the first right to hold an event on the corresponding date in the following year. A club that fails to confirm an event by returning its application and that fails to request that its date be reserved shall lose the right to claim that corresponding date the following year.

D. Mileage Conflicts. UKC will not license events of the same type on the same day to be held by different clubs within 100 miles of each other, except that conformation shows may be scheduled within that distance if there are no common breeds being offered by the

host clubs. Distance shall be calculated using the closest driving route and not air miles.

E. Applying For A New Date. New clubs applying for their first event or clubs applying for a new date must get approval from UKC. A club member may check on the availability of dates by phone, e-mail or written request, but no date will be assigned without an e-mail or written request from a club officer or event committee member. Requests for new dates are processed in the order received. UKC will notify clubs by mail or e-mail when a date is approved or disapproved. Requests for new dates made after the application deadline date may be denied.

F. Clubs With Reserved Corresponding Dates. Approximately nine months before a club's reserved corresponding date, UKC will mail an "Event Application for a Scheduled Weekend" to the club's Secretary. The application will be for the same number and type of events as were offered the previous year. Any changes or additions must be approved in writing or by e-mail by UKC before submitting the Event Application for a Scheduled Weekend. Clubs that submit applications that have been altered without UKC approval may be denied.

G. Applying for a licensed event.

1. **Application deadline dates.** Completed applications with any changes or additions must be returned to UKC with appropriate fees by the following deadlines:

If a club does not request that the date be held for the following year, that date will become available to other clubs on a first come, first-served basis.

3. **Late applications or payment of fees.** Applications received after the deadline date or without the correct license fees will be assessed a penalty charge of \$20 per event for each calendar month the application is late.

5. **Publication of upcoming events in *BLOODLINES Dog Event News* and on the UKC website.** Approved events will be published on the UKC website and in the first issue of *BLOODLINES Dog Event News* following the approval of an application. These publications shall constitute the official notice of the upcoming event. Any special requirements for bringing dogs into a state where an event is scheduled, such as health or rabies certificates, will be included with other event information. Late applications or changes made after the application deadline may be

approved but not published if they arrive too late for the magazine deadline. In such cases, the events and changes will be posted on the UKC website. Clubs may purchase display ads featuring their upcoming events in *BLOODLINES Dog Event News*. Upcoming event ads for events that have not yet been approved by UKC will be designated as "pending UKC approval."

6. **Special requests.** UKC strongly recommends that all Terrier Race events be Pre-entry only.

The Judge (or alternate Judge) for any particular event may not be designated as the individual to accept either advanced/pre-entries or day-of-show entries for that event. Entries should not be received at the judge's mailing address for any event in which they are judging. Furthermore, it is recommended that an Officiating Judge not prepare or handle any entries for any event hosted by a club on the same weekend for which they are judging.

G. Presence of Event Chairperson and Event Secretary at events. The Event Chairperson and the Event Secretary must be present during events at which they are serving in these capacities.

The Event Chairperson is responsible for ensuring that mats or other suitable coverings are available for indoor racing when the surface is not suitable for the planned activity.
4. **Equipment.** The Event Chairperson and club officials holding the event are responsible for ensuring that the race equipment meets the requirements outlined elsewhere in this rulebook. The judge must approve the equipment before the start of judging. At the completion of the trial, the judge must report to UKC any substandard conditions or equipment.

4. **Lure Handler.** The lure handler returns the lure to the starting gate after each heat, may also bring the Judge's scorecard to the results recorder, bring subsequent heat scorecards to the Judge and bring colored scrunchies to queue steward. The use of multiple lure handlers is suggested to avoid excessive tiring.

3. Clubs must send out notification of the event site change to all exhibitors who were mailed a Premium List for the event.
4. The club may be required to have signs posted at the old show site directing exhibitors to the new location. Additionally, the club should, if at all possible, provide someone at the old show site to direct exhibitors to the new location.
5. Because of the change of location, it is possible that exhibitors might miss the Day of Show entry deadline time. To accommodate these exhibitors, the club must be prepared to extend the Day of Show entry deadline and the show start time. Driving time between the old and new locations should be used as a guideline in setting the new entry deadlines and show start times. The club must post a sign with the extended entry times and start of show times at the site.
6. Clubs must refund any pre-entry fee(s), upon the exhibitor's written request, made prior to or at the show, for any dog that was not exhibited due to the change in location.

B. United Kennel Club policy on Canceled events. Clubs wishing to cancel an approved/published event must submit a cancellation request stating the reason why the event is being cancelled. The cancellation request must be submitted in writing and the letter of cancellation must contain the signatures of two officers of the club that is canceling the event. Permission to cancel an event must be received from UKC before the club sends notification to the judges and exhibitors that the event has been cancelled. The decision to refund license fees in whole or in part shall be based on the following criteria: A club that cancels its event before the application deadline date and before the application has been processed by UKC will receive a full refund.

INHERENT RIGHTS AND POWERS OF UKC

**Revised December 18, 2009*

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

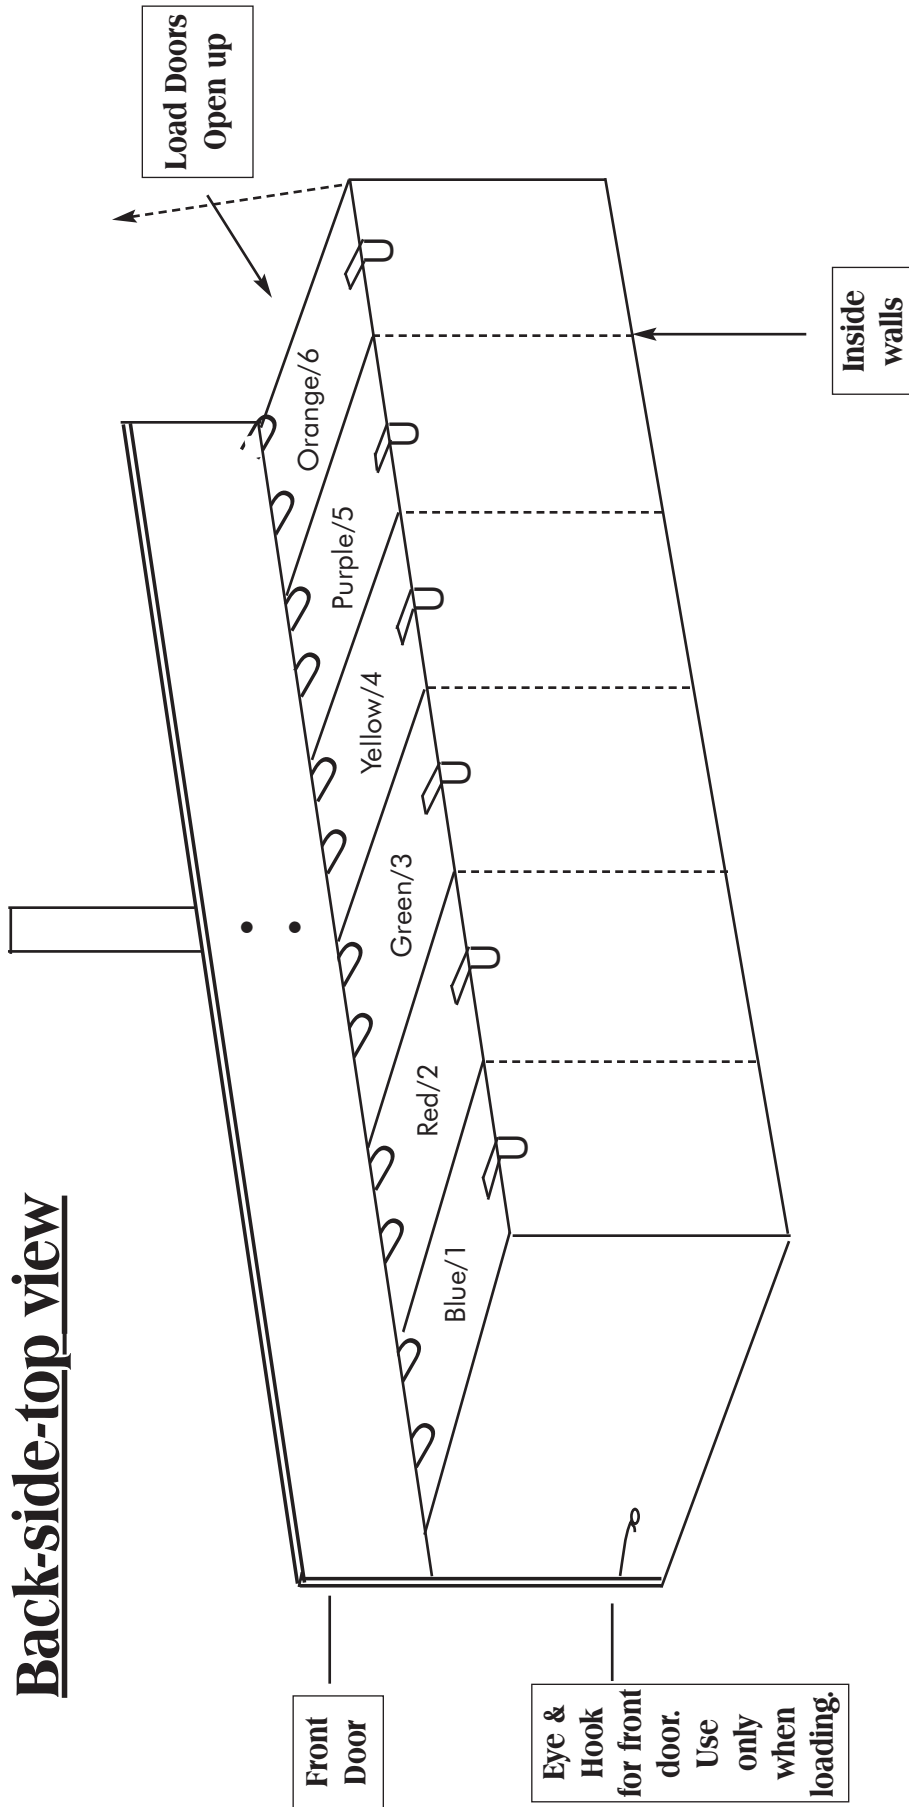

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

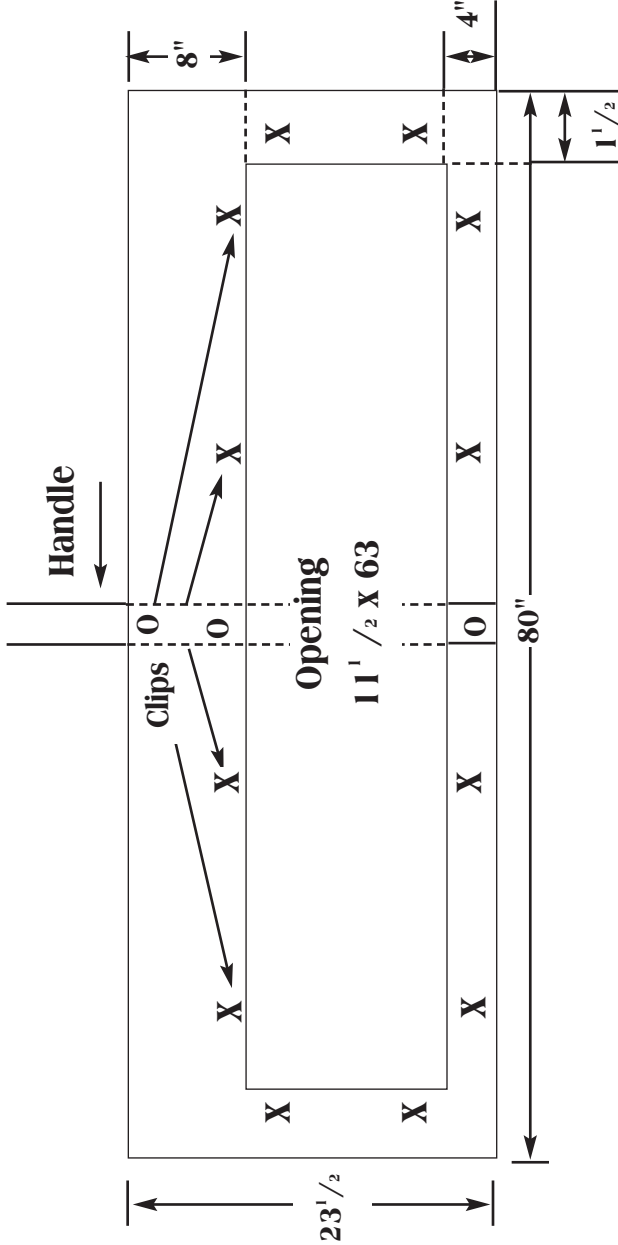

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

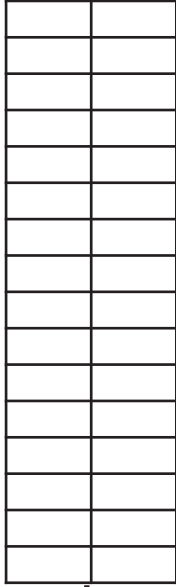

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.
