Rules Applying To Temporary Listing Numbers

All Temporary Listing Numbers are non-refundable, non-transferable, and do not apply to the cost of Single Registration, or Performance Listing Registration.

A Temporary Listing number is issued so you may enter a non-registered dog at UKC licensed events, and earn points or legs toward a title. Temporary Listing numbers are only valid at events licensed by the Show Operations and the Pointing Dog events program. If you have any questions regarding Temporary Listing numbers you may address them to the Show Operations Department by e-mailing showoperations@ukcdogs.com, or call (269) 343-9020 and ask to speak with Show Operations. For complete rules and regulations applying to Temporary Listing numbers, please visit the Show Operations section of the UKC website, www.ukcdogs.com.

Rules applying to Temporary Listing (TL) Numbers. Temporary Listing numbers are only valid at events licensed by Show Operations and the Pointing Dog events program.

- TL numbers may be purchased and issued at events listing availability on the UKC website in "Upcoming Events".
- Temporary Listing numbers may also be purchased and issued on the same day by calling Show Operations at UKC during regular business hours. You may also apply for a Temporary Listing Number via the UKC website under Show Operations.
- Temporary Listing Numbers **must be** assigned on or before the show date.
- Points earned on a TL Number that was issued after the event will be considered invalid.
- TL numbers do not expire but are no longer valid once a dog is permanently registered or has a performance listing with UKC.
- Dogs permanently registered/listed that include the TL number on the application for registration/listing will automatically have any wins posted to their permanent record.
- Any wins, titles earned, Top Ten points, or All-Star points will not reflect on the dog's record until it is permanently registered/listed. If the dog is not able to be permanently registered/listed any wins or points earned on the dog's TL number will be invalid.
- Dogs earning Top Ten or All-Star points while showing on a TL number must be permanently registered or performance listed prior to December 31st of the current year in order to be eligible and reflected in the "final" Top Ten or All-Star points standings.
- Temporary Listing numbers are not valid for events held under the rules that govern licensed Coonhound or Beagle events. No dog may compete in these events on a Temporary Listing number.

Any dog that does not already have a permanent registration number or that has not already been issued a Performance/Limited Privilege Listing number is eligible to receive a Temporary Listing number.
